RED ORBIT COMPANY LIMITED

Import and export shipping checklist

Gather the documents you have before requesting a quote. Red Orbit can help confirm what applies to your cargo and destination.

Preparing an import

Share your point of arrival and expected arrival date when you ask about clearance or collection.

- [ ] Commercial invoice and packing list
- [ ] Bill of lading for sea freight, air waybill for air freight, or road consignment note
- [ ] Importer details and signed clearing agent authorisation, when requested
- [ ] Any import permit or conformity document that applies to the goods

Preparing an export

Share the cargo-ready date, destination and any booking details available.

- [ ] Commercial invoice and packing list
- [ ] Exporter details and clearing agent authorisation, when requested
- [ ] Origin, health or other certificates if required for the goods or destination
- [ ] Pickup details and the carrier’s booking or handover instructions, if available

---

When you contact us

Include the origin, destination, cargo description, estimated weight or size and your timing.
